

### KWRC Feb. 13th 2016 RallyCross Start Order

This is the start order as of 8:00AM Feb. 12th. The first group listed here will start on the South track (A) while the second group starts on the North track (B).

The first group is all the people sharing cars and the colour indicates the shares - yellow with yellow etc. After everybody in group 1 has run the South Track they move over and run the north track. The Group 2 people will then run on the north track first and then move to the south track. We'll alternate that way all day.
